

IGUANA CIRCO WALL

A child's drawing of the sun.

Inspired by a child's drawing, the Iguana Circo is an interpretation of the brightly shining sun, transformed into a fully functional work of art. Iguana has the essential, natural yet light hearted touch that creates a feeling of real warmth in its modern design. It's heating straight from the soul. Iguana Circo was the first "sun radiator". Available as a wall model, freestanding or to assemble around architectural columns.

DELIVERY

- central connection MM underneath
- wall fixing
- 2 chrome-plated air vents G1/8"

COLOURS

Environmentally friendly, scratch-resistant, high UV resistant powder coating.

Standard colours:

- traffic white RAL 9016 (333), smooth satin matt
- sandblast grey (001), fine texture metallic

Other colours: see colour chart.

CONNECTION

Top connection:
specify code 45 or 54 instead of MM (1° number is flow).
No insert pipe should be ordered. Provide an air vent on the central heating pipework.

One pipe connection:
connection sets 41, 42, 48 or 49.
Max. 2 radiators per heating ring.

CONNECTION SETS

To guarantee the output of the Iguana models and to limit the pressure drop, Jaga recommends the use of 15/1 minimum diameter pipes.

Connection set to the wall with a Deco-Pro valve

TRV head and sleeve couplings included.
